

set_aerspc

module_radiation_aerosols
::gocart_init

```
graph RL; A["module_radiation_aerosols::gocart_init"] --> B["set_aerspc"]
```

The diagram illustrates a function call. A box on the right, labeled 'module_radiation_aerosols::gocart_init', has a blue arrow pointing to a box on the left labeled 'set_aerspc'. The 'set_aerspc' box is shaded gray, while the 'module_radiation_aerosols::gocart_init' box is white.
